

## A PERFECT FIT!

WORLD LEADER IN TECHNICAL RIDING GEAR  
&

# JUDNICK MOTORSPORTS JOIN FORCES

SEPT. 2014 - Lake Nebagamon, WI

Beginning in the 2013/14 Amsoil Championship Snocross Series  
two powerhouses in the industry join forces.

"The words A PERFECT FIT works on every level! We both live and breathe our passion for excellent performance. The crew at KLIM live what they build and it shows! Their unbelievable passion is evident in their products. Hands down, they build the best product money can buy! I couldn't be more fired-up to be working with KLIM...the company, the products, and the first class crew. " Scott Judnick, Team Owner of Judnick Motorsports

"As a professional snocross racer my outerwear has to work in the ultimate extreme conditions. KLIM did more than just meet my expectations, they exceeded them!

It fits perfect without restriction, It's warm, it breathes and it keeps me dry!!!

I am stoked to be partnering with KLIM"

Ross Martin #837

KLIM Technical Riding Gear is the global leader in designing, developing and manufacturing the most advanced motor sports apparel for the snowmobile and motorcycle rider. Utilizing the world's highest technologies in waterproof, breathable, durable and comfortable materials, KLIM builds gear for the most demanding riders.

Driven by the continual feedback and input from dedicated test pilots and passionate customers, KLIM strives to do one thing above all and that is -  
IMPROVE YOUR RIDING EXPERIENCE WITHOUT COMPROMISE!

We invite you to experience the difference that riding in truly Technical Riding Gear from KLIM can make.
